Professional Experience

Naga Info Solutions, Kerala, India

Feb 1,2012-Aug ,2014

Software Engineer

- Designed an e-commerce website based on Magento Platform called 'AlmahroosOnline.com' that sells heavy machinery products and its spare parts. Installed Custom theme in frontend and made the necessary customizations to adapt it to client requirement and developed an important custom module called 'Image Tagging' which allows admin to tag product spare parts on backend which creates the tag in product image in frontend product page. Developed another custom module named 'Bulk Purchase' which gives the customers the ability to order more than one product in frontend using SKU or using CSV file. Another important module 'Back Order' was developed which allows customers to order quantities over available quantity of which the excess will be notified to admin via backend custom page as well as Email. A custom module named 'Shipping Price Module' was developed for the site which gives admin, control over shipping price calculation after customer adds products to cart.
- Designed an e-commerce website 'Trendsofasia.com' in Magento platform, that sells authentic & traditional Indian Textiles and accessories. Installed a custom theme for the site and customized it to client's requirement. A custom module named 'Shipping Price Module' was developed for the site which gives admin, control over shipping price calculation after customer adds products to cart.
- Developed an extension for generating user details when the user is registered in the website and when the user places an order in to a CSV file for 'courseandexam.com'.
- Implemented new design and developed an 8 year old e-commerce website 'Expotechusa.com' and which is a distributor of laboratory, chemical and industrial equipment and supplies using classic ASP, Javascript.

- Developed and designed inner pages of 'Nagainfosolutions.com' and done SEO optimization for the website.
- Developed an android application called Destination which notifies when user reaches the selected destination.
