Based on documents verified by our HR Assistants the candidate has achieved total score points of						= Total Score	2

General Information

Marital Status : Single
Education : Master's Degree in Mechanical Engineering
Contact no. :
Email :

Objective

Seeking a challenging position in the mechanical design field that will enable me to use my strong organizational skills, educational background, and ability to work well with people would like to grow with one organization, contribute to it and finally rise to its decision making and strategy formulating levels.

Education Qualification

Degree/Course	Institute/School	University/ Board	Year	Percentage (%)
M.Tech (Machine Design)	The Oxford College of Engineering	VTU, Belgaum- Karnataka, INDIA	2014	72%
B.E (Automobile)	Malnad College of Engineering	VTU, Belgaum- Karnataka, INDIA	2012	76.90%

Project work

B.E Project Title: "Automatic control of car AC using CAN protocol"

AC (air conditioner) in a car is automatically controlled by ECU depending upon the conditions of the car. There are few priorities according to which the AC is switched ON or OFF. The entire data transfer is carried by CAN (Control Area Network) protocol. The main aim of this project is to reduce fuel consumption and to increase efficiency of the vehicle.

M.Tech Project Title: “Design and Analysis of a bogie truck”

Old Bogies are cast models which are huge and bulky in its nature. The cast bogie is made in single piece and handling of such components are difficult due to its over design and manufacturing cost is also high.

Hence, fabrication of bogie is appropriate solution to overcome the difficulties that are associated with the casted bogie. This project deals with replacing the casted bogie with fabricated bogie by making major changes in design to take the load without failure.

Work Experience

Officialized with IIT Bombay, from 02/09/2013 to 30/10/2014

Worked as an Assistant Design Engineer (part time), for a period of one year performing analysis by utilizing various software like ANSYS and Hypermesh and modifying the respective drawings using AutoCAD.

Software Skills:

- Auto CAD 2013
- ANSYS
- Hyper mesh
- Autodesk Inventor

Visa Status : On visit visa valid till 01/09/2015

Passport Status

- Passport number : 123456789
- Validity : 10/10/2015
